

Volunteer Appreciation

GILGAL VOLUNTEERS ARE "ONE IN A MILLION"

We love our volunteers
We're here to say.
That is the reason
We're here today.

You give so much
Of your talent and time.
That's why we created
This little rhyme.

We love line dancing
And yoga too.
Cooking, nutrition
And diabetic stew.

We need time management
And budgeting tips.
And conflict resolution
To control our loose lips!

You teach quilting, painting
And crafts galore.
Book clubs and plays
We've never seen before.

Job readiness and resumes
And interviewing guides.
And Mr. McCord
Who makes sure nobody slides.

There's counseling, mentoring
And all kinds of groups.
That aid in our recovery
And the healing of old wounds.

But mostly what we treasure
Is the love each of you brings.
And the message that
in Christ Jesus,
We can do all things!

**One in a million, That's what you are.
One in a million, a Superstar!
One in a million, for all you do
One in a million, and we love you!**
